Ref. - Rio Madeira Project

Dear Mr. Tamberg,

With reference to our Minutes of Meeting (MoM) signed by myself on January 11th. 2006; This letter is to formally notify Construtora Norberto Odebrecht S.A. that for the reasons outlined in our meeting this morning; and in accordance with Section 5h, of the MOM, GE is withdrawing from the Rio Madeira Project without liability, except those commitments (exclusivity) defined in Section 5a of the MoM.

We regret that we must exit the project and hope that the project proceeds successfully. We offer the use of our Joint Venture facility (GEHI) as a subcontractor to help maintain project schedule and maximize local content to support the financing plan.

If there is anything further that I can do to help you with this project, please feel free to contact me directly.
